

Dustin Edwards, Ph.D.

Professor and Virologist, Department of Biological Sciences, Tarleton State University, Texas A&M University System

dustinedwards.dustin-edwards.workers.dev/cv · ORCID 0000-0001-6409-8041

Appointments

POSITIONS

- 2025-present** Professor. Department of Biological Sciences, Tarleton State University
- 2020-2025** Associate Professor. Department of Biological Sciences, Tarleton State University
- 2014-2020** Assistant Professor. Department of Biological Sciences, College of Science and Technology, Tarleton State University, Stephenville, TX, Texas A&M University System. Heads: P. Sudman, Ph.D., A. Nelson, Ph.D., M. Sanderford, Ph.D., and K. Herrmann, Ph.D.
- 2013-2014** Adjunct Faculty. Undergraduate Biology Program, College of Science, George Mason University, Fairfax, VA. Director: L. Rockwood, Ph.D.
- 2009-2014** Postdoctoral Fellow. Animal Models and Retroviral Vaccines Section, Center for Cancer Research, National Cancer Institute (NCI), National Institutes of Health (NIH), Bethesda, MD. Function of HTLV-1 Orf-I-Encoded Proteins. Advisor: G. Franchini, M.D.
- 2008-2009** Postdoctoral Fellow. Virus Tumor Biology Section, Laboratory of Cellular Oncology, Center for Cancer Research, National Cancer Institute (NCI), National Institutes of Health (NIH), Bethesda, MD. Inhibition of Small GTPases in HTLV-1-Transformed Cells. Advisor: J. Brady, Ph.D. (deceased 2009)
- 2002-2008** Graduate Research Associate. Department of Molecular Virology and Microbiology, Baylor College of Medicine, Houston, TX. Regulation of the PCNA Promoter by HTLV-I Tax. Advisor: S. Marriott, Ph.D.
- 1999-2002** Microbiology Technician / Research Assistant. Iso-Tex Diagnostics, Inc., Friendswood, TX. FDA-approved injectable radiopharmaceutical developer of cancer therapeutics. Supervisor: L. Starke, Ph.D.

ADMINISTRATIVE AND LEADERSHIP

2025-present: Department Head

Department of Biological Sciences, Tarleton State University.

Leadership and personnel management:

- Oversee and mentor 11 tenure-track/tenured faculty, 12 instructional faculty, 3 adjunct faculty, 2 staff members, and 19 graduate assistants
- Supervise recruiting, hiring, evaluation, and professional development of faculty and staff

Administrative and financial oversight:

- Manage departmental budget, accounts, and expenditures
- Handle day-to-day departmental operations, including advising, orientation, tours, registration issues, and general decision-making
- Oversee program and strategic planning

Academic and program leadership:

- Lead curriculum development, program changes, and new program initiatives
- Oversee assessment and accreditation processes
- Serve on Academic Council, Department Heads Council, and other university committees

Communication:

- Serve as primary liaison with faculty, staff, administrators, and external stakeholders
- **2025** Assistant Department Head. Department of Biological Sciences, Tarleton State University

2020-2024: Senior Faculty Fellow/Asst Director of Scholar Development

Center for Educational Excellence, Tarleton State University.

Program leadership and faculty mentoring:

- Co-directed year-long Faculty Scholar Cohorts and served as primary mentor and contact for fellows
- Designed and facilitated monthly cohort meetings, peer-feedback sessions, workshops, and annual showcase
- Provided individualized coaching on IRB, research design, data analysis, abstracts, presentations, manuscripts, and tenure/promotion portfolios

Administrative and financial oversight:

- Reviewed applications and chaired review committees
- Managed onboarding, budget, scheduling, logistics, milestone tracking, and deliverables
- Collected program-evaluation data for annual reports for CEE, Provost, and SACSCOC

Institutional collaboration:

- Represented program on university committees and collaborated with CEE initiatives
- Contributed to long-term planning, resource advocacy, leadership meetings, and strategic direction

2019-present: Chair of Institutional Biosafety Committee

Tarleton State University.

Leadership and governance:

- Chair IBC meetings and ensure quorum/conflict management
- Mentor members and appoint subcommittees
- Serve as primary liaison to Division of Research and NIH OSP

Compliance and reporting:

- Ensure full NIH Guidelines compliance

- Oversee incident/violation reporting to NIH OSP
- Approve charter, policy, roster, and manual updates

Research oversight and laboratory inspections:

- Lead review/approval of research protocols
- Assign containment levels and mitigations and sign approvals
- Direct regular lab inspections and enforce corrective actions

Training and collaboration:

- Direct IBC member training
- Coordinate with IRB, IACUC, and Risk Management

Education

- | | |
|------|---|
| 2008 | Doctor of Philosophy (Ph.D.), Biomedical Sciences. Baylor College of Medicine, Houston, TX, Department of Molecular Virology and Microbiology. Thesis: Regulation of the PCNA Promoter by HTLV-1 Tax. Advisor: S. Marriott, Ph.D. |
| 2001 | Bachelor of Science (B.S.), Biological Sciences. University of Houston, Clear Lake, Houston, TX, School of Science and Computer Engineering. Advisor: L. Rohde, Ph.D. |

Grants

43 awards totaling \$636,564, newest first. Where a student shares an award, this says "with a student researcher" instead of a name.

2026	\$3,000, Student Research Grant, Tarleton State University, with a student researcher
2025	\$1,000, Student Research Grant, Tarleton State University, with a student researcher
2024	\$2,000, Student Research Grant, Tarleton State University, with a student researcher

2024	\$12,000, Lignum Energy
2024	\$1,314, Provost's Student Research and Creative Activities Travel Grant, Tarleton State University
2023	\$100,000, Hatch Multistate Equipment Grant
2023	\$2,125, Texas Parks and Wildlife Department
2023	\$100,522, National Wild Turkey Federation
2023	\$1,000, Provost's Student Research and Creative Activities Travel Grant, Tarleton State University
2022	\$2,000, Student Research Grant, Tarleton State University, with a student researcher
2022	\$115,000, National Wild Turkey Federation
2022	\$57,419.74, Presidential Excellence in Research Scholars Grant, Tarleton State University
2022	\$2,500, Student Research Grant, Tarleton State University, with a student researcher
2021	\$2,000, Student Research Grant, Tarleton State University, with a student researcher
2021	\$24,380, Presidential Excellence in Research Scholars Grant, Tarleton State University
2021	\$16,936, FIERCE Award, Tarleton State University, with a student researcher
2021	\$2,000, Student Research Grant, Tarleton State University, with a student researcher
2020	\$3,000, Student Research Grant, Tarleton State University, with student researchers
2020	\$4,000, FYRE Award, Tarleton State University, with a student researcher
2020	\$1,025, Student Travel Grant, Tarleton State University, with Phage Discovery Program
2020	\$612, Student Travel Grant, Tarleton State University, with student researchers
2020	\$8,500, SEA-GENES, Howard Hughes Medical Institute
2019	\$1,500, SEA-PHAGES, Howard Hughes Medical Institute
2019	\$87,205, Barton Springs Salamander Conservation Fund, City of Austin/U.S. Fish and Wildlife
2019	\$2,000, Student Research Grant, Tarleton State University, with a student researcher
2019	\$516.63, Student Travel Grant, Tarleton State University, with Phage Discovery Program
2019	\$340, Student Travel Grant, Tarleton State University, with student researchers
2019	\$6,000, Office of Academic Affairs, Tarleton State University
2018	\$4,975, Faculty-Student Research and Creative Activity Internal Grant
2018	\$3,383.50, Office of Academic Affairs, Tarleton State University
2018	\$2,000, Office of Academic Affairs, Tarleton State University
2018	\$5,000, SEA-PHAGES, Howard Hughes Medical Institute
2018	\$4,000, FYRE Award, Tarleton State University, with a student researcher
2018	\$748.50, Student Travel Grant, Tarleton State University, with student researchers
2017	\$1,467.63, Student Research Grant, Tarleton State University, with student researchers

2017	\$2,500, Horizons Award, Tarleton State University, with a student researcher
2017	\$10,000, SEA-PHAGES, Howard Hughes Medical Institute
2016	\$3,000, Student Research Grants, Tarleton State University, with student researchers
2016	\$270, Student Travel Grant, Tarleton State University, with a student researcher
2016	\$1,000, Student Research Grant, Tarleton State University, with a student researcher
2016	\$1,000, Undergraduate Research Assistantship, Tarleton State University, with a student researcher
2015	\$16,500, Office of Academic Affairs, Tarleton State University
2015	\$20,824, Organized Research Grant, Tarleton State University

Fellowships and awards

2023	Invited Speaker/Convener, ASM Microbe. American Society for Microbiology, Houston, TX
2020-2021	Millicent and Eugene Goldschmidt Faculty Education Award. Texas Branch of the American Society for Microbiology
2019	Outstanding Junior Faculty Award. Tarleton State University, Stephenville, TX
2019	Outstanding Junior Faculty Award. College of Science and Technology, Stephenville, TX
2018	Student Success Award. Tarleton State University, Stephenville, TX
2018	Student Success Award. College of Science and Technology, Stephenville, TX
2015	Summer Grantsmanship School Award (OFR). Stephenville, TX
2010	Viruses, Genes and Cancer International Travel Fellowship (CNR). Venice, Italy
2009	Fellows Award for Research Excellence (FARE) 2010 (NIH). Bethesda, MD
2008-2013	Cancer Research Training Award (NIH), C5DP035809. Bethesda, MD
2005-2007	Molecular Virology Training Grant (NIH) Trainee, T32 AI-07471. Houston, TX

Invited talks

The CV lists 26 international and 170 national and regional presentations, 2004-2026, most of them posters and talks given by students with Dustin as senior author. Invited talks, seminars and roundtables where Dustin is the lead or only author:

2021	Developing a Scholarship Agenda & The Three Pillars of Academia. Tarleton State University CEE Faculty Scholarship Cohort. Virtual
2021	(REV)ised: a New Search for Reticuloendotheliosis Virus. Seminar. Texas A&M University - San Antonio. San Antonio, TX
2020	Faculty Roundtable: The Great Teaching Debate: To Lecture or Not to Lecture ~ What does an innovative learning experience look like?. Center for Instructional Innovation, Stephenville, TX. With T. Holley, N. Petroff, J. Heller
2019	Course-based Undergraduate Research Experiences. Deans and Program Directors for University of Texas Medical Branch. Galveston, TX

2019	Faculty Roundtable: Teaching Live: Students Connecting their Learning Experiences in the Moment?. Center for Instructional Innovation, Stephenville, TX
2019	Course-based Undergraduate Research Experiences: HHMI SEA-PHAGES. Dean's Circle for College of Science and Technology. Stephenville, TX
2019	(REV)ised: a New Search for Reticuloendotheliosis Virus. Rio Brazos Master Naturalists. Acton, TX
2018	Roundtable: Undergraduate Research and External Funding Mechanisms. Tarleton Student Research and Creative Activities, Stephenville, TX
2018	Roundtable: Undergraduate Research and Recruitment and Retention. Tarleton Student Research and Creative Activities, Stephenville, TX. With F. Morgan, K. Guay, K. Herrmann, E. Hall, L. Albert
2018	Faculty Roundtable: Ways to Engage Undergraduate Research. Center for Instructional Innovation, Stephenville, TX
2017	(REV)ised: a New Search for Reticuloendotheliosis Virus. Baylor University Lecture Series, Waco, TX
2013	Retroviruses. Infectious Disease and Society. George Mason University, Fairfax, VA
2012	Retroviruses. Infectious Disease and Society. George Mason University, Fairfax, VA
2009	Antimicrobial Drugs. Microbial Physiology and Metabolism. George Mason University, Fairfax, VA

Courses taught

- BIOL 4378: Biochemistry Lab (team-taught), Tarleton State University, Spring 2021 to present
- BIOL 3413: Molecular Biology Lab (team-taught), Tarleton State University, Fall 2020 to present
- BIOL 4090-050/060: Science in Society, Tarleton State University, Fall 2019
- BIOL 4090-030: Bioinformatics, Tarleton State University, Spring 2018 to present
- BIOL 4090-010: Virus Isolation, Tarleton State University, Fall 2017 to present
- BIOL 4350 | BIOL 5086: Vaccines, Tarleton State University, Spring 2016 to Spring 2026
- BIOL 5185: Graduate Seminar in Contemporary Research Topics, Tarleton State University, Spring 2016 to Fall 2021
- BIOL 3380 | BIOL 5086: Introduction to Virology, Tarleton State University, Fall 2015 to Spring 2025
- BIOL 3103: Genetic Techniques, Tarleton State University, Fall 2015 to Fall 2021
- BIOL 3403/3303: Genetics, Tarleton State University, Spring 2015 to 2025
- BIOL 2300: Cell Biology, Tarleton State University, Fall 2014 to Fall 2024
- BIOL 1406: Biology for Science Majors, Tarleton State University, Fall 2014 to Fall 2016
- BIOL 1100: Transitioning to University Studies in Biomedical Sciences, Tarleton State University, Fall 2014 to Fall 2016
- BIOL 420: Vaccines, George Mason University, Spring 2014

- BIOL 382: Introduction to Virology, George Mason University, Fall 2013

Students mentored

Shown as counts; the CV names each student.

BSL-2 LABORATORY RESEARCH MENTORING

- 2015-2026 19 students: Research students and trainees. BSL-2 laboratory research. Tarleton State University. Projects across all 23 laboratory students (Tarleton, NIH and Baylor) include the discovery of novel bacteriophages for nontuberculous mycobacteria, bacteriophage-delivering hydrogels, pathogen testing in biosolids, protein-protein interactions of cytotoxic phage proteins, bacteriophage anti-CRISPR systems, microbiomes of endangered salamanders, reticuloendotheliosis virus (REV) and lymphoproliferative disease virus (LPDV) in wild galliformes in Texas, avian retrovirus qPCR assays, HTLV-1 HBZ, HTLV-1 Orf-I and HTLV-1 Tax. The CV records these students going on to M.D., D.O., M.D./Ph.D. and Ph.D. programs, postdoctoral and research positions, and teaching.
- 2010-2012 2 students: Research students and trainees. BSL-2 laboratory research. National Institutes of Health
- 2004-2006 2 students: Research students and trainees. BSL-2 laboratory research. Baylor College of Medicine

PRESIDENTIAL HONORS PROGRAM RESEARCH MENTORING

- 2017-2023 14 students: Honors undergraduates, six cohorts. Presidential Honors Program: Discovery and Characterization of Novel Bacteriophages. Tarleton State University

ADDITIONAL RESEARCH MENTORING

- 2026-2027 36 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages and Bacteriophage Genetics). Tarleton State University
- 2025-2026 36 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages and Bacteriophage Genetics). Tarleton State University
- 2024-2025 36 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages and Bacteriophage Genetics). Tarleton State University
- 2023-2024 25 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages and Bacteriophage Genetics). Tarleton State University
- 2022-2023 39 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages and Bacteriophage Genetics). Tarleton State University

2021-2022	42 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages and Bacteriophage Genetics). Tarleton State University
2020-2021	37 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages and Bacteriophage Genetics). Tarleton State University
2019-2020	19 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages). Tarleton State University
2018-2019	11 students: Undergraduates. Molecular Biology and Biochemistry lab courses (Cloning and Expression of Bacteriophage Genes). Tarleton State University
2018-2019	17 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages). Tarleton State University
2018	2 students: Undergraduates. Biomedical Sciences lecture courses, ALE (Study of Vaccines Aversion in Rural Populations). Tarleton State University
2017-2018	21 students: Undergraduates. Phage Discovery Program research courses (Discovery and Characterization of Novel Bacteriophages). Tarleton State University
2017-2018	2 students: Interns. Virus Discovery, Genetic Techniques and Phage Discovery Program courses. Tarleton State University
2016	3 students: Undergraduate honors-credit students. Honors credit. Tarleton State University
2016	1 student: Undergraduate. Problems course. Tarleton State University
2015-2016	1 student: Graduate thesis research assistant. Graduate thesis research. Tarleton State University

GRADUATE THESIS AND NON-THESIS COMMITTEES

2019-present	8 students: Graduate students. 7 thesis and non-thesis committees, Department of Biological Sciences. Tarleton State University. Including chair of one non-thesis committee (2022-2025).
--------------	---

MENTORED STUDENT AWARDS

2016-2025	36 awards: Mentored students. Awards won at research meetings. Tarleton State University. Among them Orville Wyss, Sarah McIntire, Samuel Kaplan and Joan Abramowitz awards at Texas Branch of the American Society for Microbiology meetings, and awards at Tarleton State University research symposia, the Gulf Coast Undergraduate Research Symposium, the Texas A&M University System Pathways Symposium, the Texas Academy of Science, the Texas Section of the Mathematical Association of America, and the World Congress on Virology and Infectious Disease.
-----------	---

Service

DEPARTMENT

2025	Committee Chair, Search Committee for Chair of Biological Science. Stephenville, TX
------	---

2024-2025 Faculty Mentor, Biological Sciences. Stephenville, TX

2022 Committee Member, Search Committee for Assistant Professor of Biological Science. Stephenville, TX

2022 Faculty Advisor, Biotechnology Laboratory Renovations. Stephenville, TX

2022 Faculty Advisor, Campus Preview Day. Tarleton State University, Stephenville, TX

2021 Committee Member, Search Committee for Lecturer of Biological Science. Stephenville, TX

2019 Student Recruitment. Tarleton State University, Stephenville, TX

2015-present Advisor for Pre-Physical Therapy Students. Tarleton State University, Stephenville, TX

2015-present Biomedical Sciences Student Orientation Advisor. Tarleton State University, Stephenville, TX

2015 Student Recruitment. Tarleton State University, Stephenville, TX

2015-2019 Faculty Volunteer, Texan Transition Week. Tarleton State University, Stephenville, TX

COLLEGE

2023-2024 Committee Member, Tenure and Promotion Criteria Review Committee. COSM, Stephenville, TX

2023-present Committee Member, Faculty Research Committee. COSM, Stephenville, TX

2021-2022 Faculty Advisor, STEM Basecamp. COST, Stephenville, TX

2020-2022 Faculty Advisor, STEM Scholars Program. COST, Stephenville, TX

2019-2021 Presentation Judge for Math Day. Stephenville, TX

2019 Poster Judge for College of Science and Technology Research Symposium. Stephenville, TX

2018 COST Faculty Awards Deliberation. Tarleton State University, Stephenville, TX

2017 Advisor for Science Olympiad. Tarleton State University, Stephenville, TX

2015-2016 Tarleton Joint Admissions Medical Program (JAMP). Tarleton State University, Stephenville, TX

2015-present Tarleton Health Professions Advisory Committee (THPAC). Tarleton State University, Stephenville, TX

UNIVERSITY

2025-present Committee Member, University Curriculum Committee. Tarleton State University, Stephenville, TX

2025 Committee Chair, Search Committee for Senior Research Compliance Administrator. Stephenville, TX

2025 Committee Member, Search Committee for Director of Instructional Development and Course Design. Stephenville, TX

2025	University Online Task Force. Tarleton State University, Stephenville, TX
2024-2025	Committee Member, Search Committee for Executive Director for Research Regulatory Compliance. Stephenville, TX
2023-2024	Faculty Mentor, Center for Educational Excellence. Stephenville, TX
2020	Committee Member, Faculty Search Committee for Dean of Libraries. Stephenville, TX
2020	Committee Member, McKenzie Family Endowed Research Professorship Selection. Stephenville, TX
2020	Committee Member, University Level Faculty Awards Selection Committee. Stephenville, TX
2019	Committee Member, Faculty Search Committee for Education Technology. Stephenville, TX
2019-present	Chair, Institutional Biosafety Committee. Tarleton State University, Stephenville, TX
2018-present	Lead Investigator, Biosafety Investigations. Tarleton State University, Stephenville, TX
2018-2021	Faculty-Student Research Advisory Board. Tarleton State University, Stephenville, TX
2018	Student Evaluation of Instruction Task Force. Tarleton State University, Stephenville, TX
2018	Ad Hoc Committee to revise Faculty Senate Constitution. Tarleton State University, Stephenville, TX
2018	Undergraduate Student Presentation Judge, TSU Research Symposium. Stephenville, TX
2017-2018	Committee Member, Institutional Review Board. Tarleton State University, Stephenville, TX
2017-present	Honors College Faculty Member. Tarleton State University, Stephenville, TX
2016-present	Committee Member, Institutional Biosafety Committee. Tarleton State University, Stephenville, TX
2016	Committee Member, Piper Professor Awards Committee
2016	Graduate Student Presentation Judge, TSU Research Symposium. Stephenville, TX
2016	Research and Scholarship Appreciation Week Planning Workgroup. Tarleton State University, Stephenville, TX
2016-2019	Department Representative, Biological Sciences, Faculty Senate. Tarleton State University, Stephenville, TX
2016-2019	Faculty Advisor, TSU Service Day. Tarleton State University, Stephenville, TX
2015-present	Faculty Advisor, Alpha Epsilon Delta. Tarleton State University, Stephenville, TX
2015	Commencement Marshal. Tarleton State University, Stephenville, TX
2015	Graduate Faculty Member. Tarleton State University, Stephenville, TX
2014	Graduate Student Oral Presentation Judge, TSU Research Symposium. Stephenville, TX

PROFESSIONAL

- 2025 Organizer for Texas Branch of the American Society for Microbiology Fall Meeting. Tyler, TX
- 2025-present Reviewer, Howard Hughes Medical Institute SEA SM*ART. Chevy Chase, MD
- 2025 Organizer for Texas Branch of the American Society for Microbiology Spring Meeting. Cedar Hill, TX
- 2025 Archivist, Texas Branch of the American Society for Microbiology
- 2024 Organizer for Texas Branch of the American Society for Microbiology Fall Meeting. Galveston, TX
- 2024 Organizer for Texas Branch of the American Society for Microbiology Spring Meeting. Cedar Hill, TX
- 2023 Organizer for Texas Branch of the American Society for Microbiology Fall Meeting. Stephenville, TX
- 2023 Organizer for Texas Branch of the American Society for Microbiology Spring Meeting. Abilene, TX
- 2023 Facilitator, Bioinformatics Training, Howard Hughes Medical Institute. Chevy Chase, MD
- 2022 Organizer for Texas Branch of the American Society for Microbiology Spring Meeting. virtual
- 2021-present Sub-committees, Texas Branch of the American Society for Microbiology
- 2021 Oral Presentation Judge for Texas Branch of the American Society for Microbiology Spring Meeting. virtual
- Organizer, Fourth Annual South Central SEA-PHAGES Symposium (canceled). Stephenville, TX
- 2019 Poster Judge for Texas Branch of the American Society for Microbiology Spring Meeting. New Braunfels, TX
- 2018 Poster Judge for Texas Branch of the American Society for Microbiology Spring Meeting. New Braunfels, TX
- 2017-present Science Education Alliance Faculty Member, Howard Hughes Medical Institute. Chevy Chase, MD
- 2016-present Editorial Board for the journal Intervirology
- 2016 Poster Judge for Texas Branch of the American Society for Microbiology Spring Meeting. New Braunfels, TX
- 2016-present Peer Reviewer for the journal AIDS Research and Human Retroviruses
- 2014-2015 Award Committee, International Retrovirology Association. Les Trois-Îlets, Martinique
- 2013 Poster Judge for the 16th International Conference on Human Retrovirology. Montreal, Canada

2013-present Peer Reviewer for the journal Frontiers in Microbiology

2012-2013 Award Committee, International Retrovirology Association. Leuven, Belgium

2009-2015 Executive Committee, International Retrovirology Association. Washington, DC

2010 Reviewer for the Fellows Award for Research Excellence (FARE) 2011 (NIH). Bethesda, MD

2007 Abstract Manager, 13th International Conference on Human Retrovirology. Published in AIDS Res Hum Retroviruses 23:581-666, 2007. Hakone, Japan

2006-2015 Website Administrator for the International Retrovirology Association

COMMUNITY

2025 Coach, Community Sports and Activities

2018-2019 STEM+C Science Outreach, Morgan Mill School District

2018 STEM+C Science Outreach, Tolar School District

2016-2019 STEM+C Science Outreach, Bluff Dale School District

2015-2019 Adopt-A-Highway Community Roadside Clean-up

2013-2014 Animal Exhibit Education Interpreter, Smithsonian's National Zoological Garden / Friends of the National Zoo (FONZ). Washington, DC

COMPENSATED PROFESSIONAL CONSULTING

2025 Work Group, Howard Hughes Medical Institute

2021 Editor, BioScience Writers. Houston, TX

2020 Focus Group, Virus Discovery CURE, Yale University. New Haven, CT

2020-2023 External Reviewer, Faculty Grant Program, University of Central Oklahoma. Edmond, OK

PROFESSIONAL MEMBERSHIPS

- International Retrovirology Association
- American Society for Microbiology
- American Society for Microbiology Texas Branch
- Alpha Epsilon Delta Honor Society
- Howard Hughes Medical Institute Science Education Alliance

Professional development

2025 SEA Faculty Meeting. HHMI, Chevy Chase, MD

2024 SEA Faculty Meeting. HHMI, Chevy Chase, MD

2023 SEA Faculty Meeting. HHMI, Chevy Chase, MD

2022 Review2Improve Gene Annotation Workshop. HHMI, Virtual

2021 Rubrics: Communicating High Expectations. Tarleton State University, Stephenville, TX

2021	Bacteriophage Genetics Workshop. HHMI, Virtual
2020	PECAAN Bioinformatics Workshop. HHMI and Western Kentucky University, Bowling Green, KY
2020	HyFlex Training, CII/CEE. Tarleton State University, Stephenville, TX
2020	Bacteriophage Genetics Workshop. HHMI, Virtual
2019	Best Practices for Teaching an Online Course, CII. Tarleton State University, Stephenville, TX
2019	Institutional Biosafety Committee Training (IBC). Tarleton State University, Stephenville, TX
2018	Genome Annotation Workshop. HHMI and University of Kansas, Lawrence, KS
2018	Applied Learning Experience Training. Tarleton State University, Stephenville, TX
2018	Genome Announcements Workshop. HHMI, Chevy Chase, VA
2018	Institutional Biosafety Committee Training (IBC). Tarleton State University, Stephenville, TX
2018	Institutional Review Board Training (IRB). Tarleton State University, Stephenville, TX
2017	Bioinformatics Workshop. HHMI, Chevy Chase, VA
2017	Virus Isolation Workshop. HHMI, Baltimore, MD
2017	Transmission Electron Microscopy Training. UT Southwestern Medical Center, Dallas, TX
2017	Entering Mentoring: Training the Next Generation of Scientists. Chevy Chase, VA
2017	Site Visit for Virus Isolation. Baylor University, Waco, TX
2017	Conference of Texas Association of Advisors for the Health Professions. Houston, TX
2015	Institutional Animal Care and Use Training (IACUC). Tarleton State University, Stephenville, TX
2015	Collaborative Institutional Training Initiative (CITI). Tarleton State University, Stephenville, TX
